

Invitation to post dementia-related events on the Champlain Dementia Network website

The Champlain Dementia Network will be soon be launching its events calendar feature on its website (www.champlaindementia.org)

You are invited to submit relevant dementia-specific events to be posted on the website. A wide range of events will be considered (i.e. annual meetings; education sessions; workshops; conferences; support groups). Events occurring within the Champlain region only (i.e. Eastern Counties, Ottawa, Renfrew County, North Lanark, and North Grenville) will be posted.

To do so please complete the request for information below and send it to Barbara Schulman at bschulman@prvhc.com.

Please feel free to share this information with other organizations that might be interested in posting dementia-related events on the Champlain Dementia Network calendar.

We will be compiling event information during the next few weeks and are aiming to “go live” on Tuesday, August 10, 2010 so **please send us information as soon as possible** on events for dates that will be held after August 10th and then continue to submit to us as relevant upcoming events evolve.
